

FLORIDA FOR JESUS

The Proclamation

WE BELIEVE...

Jesus is the Son of God who came to earth 2000 years ago to teach us God's will, die for our sins and send us the Holy Spirit. He is the Way, the Truth and the Life, He holds the keys to salvation and through faith in Him, heaven is a free gift.

Jesus loves all peoples equally; Republicans, Democrats, Independents, all races, all nationalities, all tongues, all religions. It is His desire that all repent and come to the knowledge of the truth. The truth is that we cannot please God on our own strength, but He has given us the tools we need to succeed. Faith in Jesus Christ, the savior, amplified through the written and spoken Word of God, His blood, shed for us, and the power of the Holy Spirit.

It is Jesus's will to unify the Church, bring people together, heal the sick, cure the lame and make us stronger. As a result, His Justice and Righteousness will reign in the land. Satan hates everyone equally; Republicans, Democrats, Independents, all races, all nationalities, all tongues, all religions. He especially hates us (humans) because God made us in His image and we remind him of what he lost.

Satan is the master of division, hate, abominable acts, sin, chaos, discord, oppression, fear, lies and deceit. Anything that distorts, destroys and damages God's creation is within his mission of destruction. He hates the United States of America and He hates the state of Florida. He is actively trying to destroy our lives, our freedoms, our families, and our government.

God chooses to love, teach and nurture us. He is a good Father and by His goodness we will find repentance, joy and freedom! He chooses to be our friend through the wonderful miracle of Jesus! He loves all mankind, therefore all are eligible to enter into His righteousness, His forgiveness and obtain CONFIDENCE as we live each day.

You and I can make a difference, we must stand for truth, justice and righteousness. We must proclaim the goodness of God in the land. It is God's goodness, long-suffering and forbearance that leads us to repentance. We must share the message and get others to proclaim the goodness of God in the land! People from all walks of life are called to join in. Government officials at all levels, bankers, coaches, businessmen, celebrities, school teachers, fathers, mothers, pastors, social workers, doctors, nurses, lawyers, retirees, construction workers, engineers, architects, painters, welders, designers, artists, singers, landscapers, cooks, waitresses, accountants, people from all walks of life!
